

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WISCONSIN

WILLIAM WHITFORD, et al.

Plaintiffs,

v.

Case No. 3:15-CV-00421-jdp

BEVERLY R. GILL, et al.,

Defendants,

and

THE WISCONSIN STATE ASSEMBLY,

Intervenor-Defendant.

**THE WISCONSIN STATE ASSEMBLY'S OBJECTIONS
TO PLAINTIFFS' FED. R. CIV. P. 26(a)(3) DISCLOSURES**

The Wisconsin State Assembly makes the following objections to Plaintiffs' pretrial disclosures pursuant to Fed. R. Civ. P. 26(a)(3)(B).

The Assembly reserves the right to amend or supplement these pretrial disclosures after the Supreme Court decides two pending partisan gerrymandering cases, *Rucho v. Common Cause*, No. 18-422, and *Lamone v. Benisek*, No. 18-726. Until the Supreme Court decides those cases, no party can know whether Plaintiffs' claims are justiciable and, even if so, what the standards are for adjudicating those claims and what would be the relevant evidence.

I. Plaintiffs' Rule 26(a)(3)(A)(i), (ii) Disclosures

The parties are currently briefing whether Plaintiffs may use deposition testimony from available Plaintiffs instead of calling them to testify live at trial. Plaintiffs have conceded these Plaintiffs are available, and the Federal Rules therefore prohibit Plaintiffs from using their deposition testimony at trial. *See* Pls.' Mot. to Admit in Evidence Testimony by Deposition Designations at 2, ECF 302; Fed. R. Civ. P. 32(a). For the same reasons stated in the Assembly's brief opposing Plaintiffs' motion (to be filed today), the Assembly objects to Plaintiffs' pretrial disclosures designating deposition testimony of these Plaintiffs. Such testimony is inadmissible hearsay if used by Plaintiffs. Fed. R. Evid. 801, 802. The Assembly reserves its right to raise other objections and to counter-designate any such deposition testimony. But the Assembly is not serving counter-designations at this time given the parties' disagreement about whether Plaintiffs may testify by deposition instead of live at trial. Further, the Assembly cannot counter-designate relevant testimony unless and until the Supreme Court decides *Rucho* and *Lamone*—only then will the standards governing Plaintiffs' claims be known.

Additionally, the Assembly objects to Plaintiffs' failure to identify which witnesses they expect to call live and which witnesses they expect to call by deposition. Plaintiffs have instead listed all Plaintiffs (but Plaintiff Ramaker, who has not yet been deposed) both as expected trial witnesses and as a witness they expect to present by deposition. Even if this Court permits

certain Plaintiffs to testify by deposition, the Assembly reserves its right to counter-designate deposition testimony after Plaintiffs identify which of the forty Plaintiffs they expect to bring live to trial and which of the forty Plaintiffs they expect to present by deposition, as Rule 26(a)(3)(A)(i)-(ii) anticipates.

Finally, the Assembly objects to Plaintiffs' calling Peter Barca, Brittany Keyes, Sandy Pasch, and Amy Sue Vruwink. For the reasons stated in Defendants' motion to strike these witnesses, *see* ECF 282, 296, whatever testimony they can offer is either irrelevant or tangential to the question of Plaintiffs' individual injuries. *See* Fed. R. Evid. 401, 403; *see also Gill v. Whitford*, 138 S. Ct. 1916, 1923, 1933 (2018); Order at 3, ECF 306 ("Whether the testimony of these new witnesses is relevant is a question the court will be able to answer only after we get guidance from the Supreme Court.").

II. Plaintiffs' Rule 26(a)(3)(A)(iii) Disclosures

The Assembly's objections to Plaintiffs' trial exhibit list are attached as Ex. 1. For any exhibits objected to as "Multiple Documents"—for example, the exhibit described as "Lanternman 2018 3TB Hard Drive" containing volumes of documents from multiple computers—the Assembly reserves its right to object to documents contained in these compilations once Plaintiffs identify what they actually intend to use.

The Assembly has made its objections using the legend below:

Objection Code	Basis for Objection
106	Fed. R. Evid. 106 (incomplete document)
401	Fed. R. Evid. 401 and/or Fed. R. Evid. 402 (relevance)
403	Fed. R. Evid. 403 (unduly prejudicial, wasteful, confusing, misleading, or cumulative)
408	Fed. R. Evid. 408 (offer of discussion for settlement or compromise)
701	Fed. R. Evid. 701
702	Fed. R. Evid. 702 and/or Fed. R. Evid. 703 (improper opinion testimony)
801	Fed. R. Evid. 801 and/or Fed. R. Evid. 802 and/or Fed. R. Evid. 805 (hearsay if offered for the truth of the matter asserted)
901	Fed. R. Evid. 901 (requires authentication)
1002	Fed. R. Evid. 1002 (best evidence rules prohibit introduction)
26(a)(1)	Failure to disclose as required by Fed. R. Civ. P. 26(a)(1)
26(a)(2)	Failure to disclose as required by Fed. R. Civ. P. 26(a)(2)
Illegible	Document is illegible
Multiple documents	Improper compilation multiple documents, Fed. R. Civ. P. 403, 901. The Assembly reserves its right to object to individual documents once Plaintiffs identify what they intend to use.
Description error	Description of exhibit on Plaintiffs' exhibit list is inaccurate. The Assembly reserves its right to object to the document once Plaintiffs identify what they intend to use.
Need copy	The Assembly could not locate the document and requests Plaintiffs provide a copy of the document at which time the Assembly will consider whether to object to the document.

June 21, 2019

Respectfully submitted,
