

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

WILLIAM WHITFORD, et al.,

Plaintiffs,

v.

Case No. 15-CV-421-jdp

BEVERLY R. GILL, et al.,

Defendants;

and

THE WISCONSIN STATE ASSEMBLY

Intervenor-Defendant

**WISCONSIN ELECTION COMMISSION DEFENDANTS'
RESPONSE TO PLAINTIFFS' PRETRIAL DISCLOSURES**

The Wisconsin Election Commission defendants, Beverly R. Gill, et al., by their attorneys, Wisconsin Attorney General Joshua L. Kaul and Assistant Attorneys General Brian P. Keenan, Karla Z. Keckhaver and Clayton P. Kowski, make the following responses to the plaintiffs' Rule 26(a)(3) pretrial disclosures:

Witness list under Rule 26(a)(3)(A)(i) and deposition designations offered under Rule 26(a)(3)(A)(ii):

Defendants object to the Plaintiffs' witness list because it includes all individual plaintiffs as witnesses they intend to call at trial, (Dkt. 301:2-3),

while also marking deposition designations for all these same individual plaintiffs. (Dkt. 301:3; 301-1:1–17.)

Defendants object to the Plaintiffs submitting the individual plaintiffs' testimony via deposition designations for the reasons stated in the joint response of the Assembly and Defendants, filed today, to Plaintiffs' motion to use deposition designations in lieu of live testimony. (Dkt. 302.) Because testimony by deposition designation is not allowed in these circumstances, Defendants object to these designations wholesale and will not be providing counter-designations. Defendants reserve the right to make counter-designations in the event the Court grants Plaintiffs' motion.

In addition, Defendants object that Plaintiffs have not complied with the Rules because they have not specified which individual plaintiffs will be called live at trial and which will be presented by deposition designation. Rule 26(a)(3)(A)(i) requires parties to designate the witnesses "the party expects to present" at trial, while Rule 26(a)(3)(A)(ii) requires parties to designate deposition testimony from "those witnesses whose testimony the party expects to present by deposition." Thus, Plaintiffs' disclosure does not comply with the Rules because they expect to call the individual plaintiffs at trial and present their testimony by deposition. The Rules do not contemplate naming witnesses in both of these categories. Therefore, this Court should order the Plaintiffs "to either designate the witnesses as unavailable under

Rule 32(a) (4), designate their deposition transcripts, and remove them from [Plaintiffs'] live witness list, or withdraw their deposition designations.” *Truckstop.net, L.L.C. v. Sprint Commc’ns Co., L.P.*, No. CV-04-561-S-BLW, 2010 WL 1248254, at *1 (D. Idaho Mar. 23, 2010).

Plaintiffs’ noncompliance with the Rules is important because it puts Defendants, and the Assembly, in the position of having to counter-designate deposition testimony for witnesses that may also be called at trial. If Defendants counter-designate deposition testimony, they would be forced to reveal trial strategy for their cross-examination of the individual plaintiffs. Given that Plaintiffs have listed all plaintiffs as potentially testifying at trial, this presents a real risk to Defendants and the Assembly. Defendants object to responding to Plaintiffs’ deposition designations until after the Court has ruled on Plaintiffs’ motion and Plaintiffs have committed to the witnesses that will testify live and those that will be presented by deposition designation (should the Court allow it).

Rule 26(a)(3)(A)(iii): Identification of documents or exhibits.

Defendants object to many of the exhibits offered by Plaintiffs. Given that Plaintiffs have offered over 600 exhibits, these objections are listed on a separate exhibit list.

Dated this 21st day of June, 2019.

JOSHUA L. KAUL
Attorney General
