# IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF ALABAMA SOUTHERN DIVISION

STATE OF ALABAMA, et al., Plaintiffs, v. Case No.: 2:18-cv-00772-RDP UNITED STATES DEPARTMENT OF COMMERCE, et al., Defendants, DIANA MARTINEZ, et al., Defendant-Intervenors, and COUNTY OF SANTA CLARA. CALIFORNIA, et al., Defendant-Intervenors, and STATE OF NEW YORK, et al., Defendant-Intervenors.

**Opening Brief in Response to the Court's July 21, 2020 Order** 

#### **INTRODUCTION**

The County of Santa Clara, California; King County, Washington; the City of San José, California; the City of Atlanta, Georgia; and the County of Arlington, Virginia (collectively the "Local Government Defendant-Intervenors"), and the States of New York, California, Colorado, Connecticut, the District of Columbia, Illinois, Massachusetts, Minnesota, Nevada, New Jersey, New Mexico, Oregon, Rhode Island, Vermont, Virginia, and Washington; the cities and counties of Cameron County, Texas; Central Falls, Rhode Island; Chicago, Illinois; Hidalgo County, Texas; Monterey County, California; New York, New York; Philadelphia, Pennsylvania; Providence, Rhode Island; and Seattle, Washington; and the United States Conference of Mayors (collectively the "State and other Government Defendant-Intervenors"), by and through their undersigned counsel, respectfully request that the Court stay Plaintiffs' action in light of the President's July 21, 2020 Presidential Memorandum titled "Memorandum on Excluding Illegal Aliens From the Apportionment Base Following the 2020 Census" ("Memorandum"), 85 Fed. Reg. 44679 (July 23, 2020), which has effectively afforded Plaintiffs the relief they seek in this litigation. Staying Plaintiffs' action would conserve judicial resources and would cause no harm to Plaintiffs.

#### **PROCEDURAL HISTORY**

This case began over two years ago on May 21, 2018, when Plaintiffs filed their Complaint. Dkt. 1. Soon after, Local Government Defendant-Intervenors moved to intervene on July 17, 2018, and were granted leave to intervene on December 13, 2018. Dkts. 9, 54. The State and Other Government Defendant-Intervenors moved to intervene on August 12, 2019, and the Court granted their motion on September 9, 2019. Dkts. 96, 110. Discovery began on September 9, 2019. Dkt. 111. The Court issued a Second Amended Scheduling Order on June 16, 2020, setting as the close of discovery, September 23, 2020, with dispositive motions to follow by October 21, 2020. Dkt. 147. On July 21, 2020, the President issued the Memorandum at issue.

### **ARGUMENT**

The Court has "broad discretion to stay proceedings as an incident to its power to control its own docket." *Clinton v. Jones*, 520 U.S. 681, 706 (1997). Whether a stay is warranted "calls for the exercise of judgment, which must weigh competing interests and maintain an even balance." *Landis v. N. Am. Co.*, 299 U.S. 248, 254–55 (1936).

Consideration of the pertinent factors warrants a stay of Plaintiffs' action. First, Plaintiffs will not be harmed. Executive action outside of this litigation has overtaken their case. The exclusion of undocumented persons from the apportionment base, which would resolve Plaintiffs' identified harms, is the purpose and effect of President Trump's Memorandum. *See* Memorandum at 44680 (authorizing the exclusion "from the apportionment base aliens who are not in a lawful immigration status under the Immigration and Nationality Act . . . to the maximum extent feasible and consistent with the discretion delegated to the executive branch").

Certainly, the Memorandum's validity is questioned in several recently filed lawsuits that contest the legality of the Memorandum on statutory and constitutional grounds. *See* Dkt. 155 (Defendants' list of those lawsuits). Unless and until the Memorandum is invalidated, however, there is nothing further that Plaintiffs could obtain from this lawsuit. Any concrete relief awarded to Plaintiffs would duplicate the Memorandum's effect, and any ruling on the constitutional questions Plaintiffs present would be an improper advisory opinion, or at a minimum, an unnecessary constitutional ruling. The point is not that Plaintiffs have prevailed—they most certainly have not—but independent Executive action has overtaken the basis for Plaintiffs' lawsuit, at least for now.

Because Plaintiffs' case may become pertinent again if the Memorandum is invalidated, Local Government Defendant-Intervenors and State and Other Government Defendant-Intervenors do not seek dismissal, but a temporary stay the Court could lift if a live question is presented anew.

A stay of Plaintiffs' action is further warranted as it would conserve judicial resources. There is no reason for the Court to decide a case that can no longer have any effect. If the Memorandum is struck down, the Court would once again be presented with a live case and could lift the stay as appropriate at that time.

#### CONCLUSION

For these reasons, the Court should stay Plaintiffs' action pending the resolution of lawsuits challenging the Memorandum.
