PLAINTIFFS’ UNOPPOSED MOTION TO EXCEED BRIEF PAGE LENGTH

Pursuant to the Local Rule 7.8, Plaintiffs request to file a Reply in Support of their Motion for Preliminary Injunction of 20 pages in length, excluding attached declarations and exhibits. Local Rule 7.8 does not state that such requests require a showing of good cause, but good cause exists here. Enlargement of the ten-page limit will afford a more complete discussion of the law and facts, and briefs of this length are typical in redistricting litigation in this District. An extension of the ten-page limit is especially warranted here, as Plaintiffs would address multiple briefs—including lengthy submissions from two different groups of *amici*—in response to their Motion for Preliminary Injunction. Plaintiffs met and conferred with the Defendant Secretary of State and the Defendant State of Louisiana, and neither Defendant objects to this request.
