COMMON CAUSE, et al.,

Plaintiffs,

v.

DAVID LEWIS, IN HIS OFFICIAL CAPACITY AS SENIOR
CHAIRMAN OF THE HOUSE SELECT COMMITTEE ON
REDISTRICTING, et al.,

Defendants.

**PLAINTIFFS'
SUPPLEMENTAL BRIEF
CONCERNING THEIR
FIRST AND SECOND
MOTIONS TO COMPEL**

On March 25, 2019, this Court granted Plaintiffs' First Motion to Compel in part, ordered Legislative Defendants' to provide "complete responses" to certain document requests and "complete answers" to certain interrogatories by April 3, and held open Plaintiffs' request for fees and costs in connection with Plaintiffs' First and Second Motions to Compel "to consider the matter if Legislative Defendants fail to comply with the terms of this Order." Plaintiffs submit this supplemental brief to report that Legislative Defendants' further discovery responses of April 3 remain woefully deficient and incomplete. Legislative Defendants should be ordered to remedy certain of these deficiencies. And it is now exceedingly clear that Plaintiffs are entitled to an award fees and costs for the substantial time they have been forced to devote to address Legislative Defendants' failure to participate in routine civil discovery.

BACKGROUND

This Court's March 25, 2019 Order granted Plaintiffs' First Motion to Compel in part. With respect to Plaintiffs' First Set of RFPs, this Court ordered Legislative Defendant, "subject to any *bona fide* assertions of privilege or immunity," to "produce all records responsive to Plaintiffs' requests for production" by April 3. Order at 6-8. To the extent they withhold any documents on a claim of privilege, the Court ordered Legislative Defendants to produce a privilege log in accordance with Rule 26(b)(5)(a), also by April 3. *Id.* at 7-8. And the Court ordered Legislative Defendants to disclose information regarding custodians, non-custodial data sources, data ranges, and search methodology in accordance with Local Rule 5.7. *Id.* at 7.

With respect to Plaintiffs' Interrogatories, relevant here, this Court ordered Legislative Defendants to respond to Interrogatories No. 14-18, which request information on "the 2011 Unchanged Districts," which Plaintiffs defined as the House and Senate districts that were drawn in 2011 and not altered in 2018. This Court explained that Legislative Defendants' previous

responses, which merely directed Plaintiffs to review documents produced in this case and in prior litigations, were “insufficient.” *Id.* at 6.

On April 3, Legislative Defendants served their supplemental discovery responses. In a cover letter accompanying those responses (attached as Exhibit A), Legislative Defendants disclosed for the first time that, with one (meaningless) exception, their search for responsive documents covered just a two-month period from July 1 to August 31, 2017. *See* Ex. A at 1. Legislative Defendants unilaterally limited their search to this two-month period even though Plaintiffs’ RFPs contain no such time limitation. To the contrary, RFP #3 requests “[a]ll documents and communications since January 1, 2015 . . . that refer or relate to the development of new state legislative districts.” Ex. B at 6. As the one exception to their two-month time limitation, Legislative Defendants explained that they searched for the odd phrase “legislative districts redraw” from January 1, 2015, which predictably produced zero hits. Ex. A at 1.

Also on April 3, Legislative Defendants served a privilege log (attached as Exhibit C), which listed 228 items that they are apparently withholding on claims of privilege, all dating from within the two-month period they searched. But the privilege log does not indicate what privilege Legislative Defendants are invoking to withhold each document. *See* Ex. C.

The documents Legislative Defendants did produce from the two-month period they searched appear to be entirely non-substantive in nature. The majority are constituent e-mails or legislators’ responses to constituent e-mails—including thousands of pages of the same auto-generated response from Representative Lewis’ office to constituent messages. *See, e.g.*, Ex. D.

Legislative Defendants also supplemented their interrogatory responses on April 3. For Interrogatories No. 14-18 relating to the 2011 Unchanged Districts, Legislative Defendants—just like in their prior insufficient responses—directed Plaintiffs to “what has been previously

disclosed in their responses to [these] Interrogator[ies] and in the litigation record from the *Dickson* and *Covington* cases.” Ex. E at 23-26. Legislative Defendants added that they “affirm and adopt” certain portions of depositions taken in *Dickson* and *Covington*. *Id.* The only other thing Legislative Defendants added is that they “do not have any independent recollection” of anything related to the 2011 Unchanged Districts, whether it be the criteria used to draw those districts, the use of partisanship in drawing those districts, or anything. *Id.*

On April 9, Plaintiffs e-mailed Legislative Defendants noting various deficiencies in their supplemental discovery responses. *See* Ex. F (4/9/19 e-mail from Jones to Strach). Plaintiffs explained that it was impossible to assess Legislative Defendants’ privilege assertions where their privilege log does not indicate the basis for withholding each document. Plaintiffs explained that Legislative Defendants’ limitation of their search for documents to a two-month period was improper, and that Legislative Defendants should add “Hofeller” and “formula” as search terms, since those terms would be very likely to produce responsive records highly relevant to this case. And Plaintiffs noted the deficiencies in Legislative Defendants’ responses to Interrogatories No. 14-18, particularly given that the *Dickson* and *Covington* cases that Legislative Defendants reference did not even concern the 2011 Unchanged Districts.

Plaintiffs requested that Legislative Defendants advise by 5 p.m. on Wednesday, April 10, whether they would cure these deficiencies. Legislative Defendants did not do so. On April 11, Legislative Defendants e-mailed Plaintiffs stating that they were “looking into the issues [Plaintiffs] raised . . . and will have a further response later today.” Ex. F (4/11/19 e-mail from Strach to Jones). But they did not do so, and as of this filing, Legislative Defendants have provided no further response.

I. Legislative Defendants' Privilege Log Is Deficient and Incomplete

Legislative Defendants' privilege log is patently deficient because the log does not indicate in any way the specific claim of privilege for each document or otherwise explain Legislative Defendants' basis for withholding each document. Under Rule 26(b)(5)(a), a litigant withholding responsive materials based on a claim of privilege must "describe the nature of the documents . . . in a manner that . . . will enable other parties to assess the [privilege] claim." Legislative Defendants have not done so. Neither Plaintiffs nor the Court can conceivably assess each privilege claim without knowing what privilege Legislative Defendants are asserting over each document, be it attorney-client privilege, legislative privilege, or some other privilege.

Plaintiffs respectfully request that the Court order Legislative Defendants to supplement their privilege log by indicating the specific privilege(s) being invoked to withhold each document.

II. Legislative Defendants' Search Methodology Is Deficient and Incomplete

As detailed above, Plaintiffs requested records dating back to January 1, 2015, but Legislative Defendants limited their search to just a two-month period from July 1 to August 31, 2017. *See Ex. A* at 1. The sole exception was that Legislative Defendants searched earlier records for a bizarre phrase that nobody would ever use—"legislative districts redraw"—which, apparently by design, produced zero hits. *Id.*

Legislative Defendants have provided no explanation for limiting their search in the manner that they did, and conducting such a restrictive search is not consistent with good-faith discovery. Indeed, Legislative Defendants have requested that Plaintiffs produce records spanning many years, and Plaintiffs have been producing such records. Plaintiffs respectfully request that the Court order Legislative Defendants to expand their search to run from August 11, 2016 to November 13, 2018. The earlier date, August 11, 2016, is when the federal district court

in *Covington* issued its decision on the merits ordering the drawing of new legislative maps. *See Covington v. North Carolina*, 316 F.R.D. 117, 178 (M.D.N.C. 2016). The end day is when Plaintiffs commenced this action. Plaintiffs further request that the Court order Legislative Defendants to add the terms “Hofeller” and “formula” as separate search terms for the date range they have already searched and any expanded date range, since those terms will likely return key records.

III. Legislative Defendants’ Interrogatory Responses Are Deficient and Incomplete

Legislative Defendants’ responses to Interrogatories No. 14-18 remain woefully deficient. Just like their prior responses which this Court found insufficient, Legislative Defendants again direct Plaintiffs to records from the *Dickson* and *Covington* cases. This response does not make any more sense now than it did before. The *Dickson* and *Covington* cases did not involve the 2011 Unchanged Districts or partisan gerrymandering claims at all, and instead involved racial gerrymandering claims challenging districts that were later redrawn in 2017, and hence are not among the 2011 Unchanged Districts. Accordingly, the records and deposition excerpts from the *Dickson* and *Covington* cases are not responsive to Interrogatories No. 14-18, which seek information relevant to partisan gerrymandering of the 2011 Unchanged Districts. Furthermore, it is not complete or credible for Legislative Defendants to say that they categorically have no “independent recollection” whatsoever about state House and state Senate districts they drew this decade. Ex. E at 23-26.

At this stage, Plaintiffs do not believe that Legislative Defendants will ever provide fulsome responses to these Interrogatories, and thus Plaintiffs do not seek further relief from the Court with respect to them. But Legislative Defendants’ responses are indicative of their unwillingness to engage in good-faith civil discovery and should inform this Court’s determination as to whether to award fees and costs to Plaintiffs for their motions to compel.

IV. The Court Should Award Fees and Expenses and Other Appropriate Relief

This Court's March 25 Order deferred resolution of Plaintiffs' requests for fees and costs in connection with their First and Second Motions to Compel, "to consider the matter if Legislative Defendants fail to comply with the terms of [the] Order." Order at 8. Plaintiffs believe that fees are now clearly warranted given Legislative Defendants' myriad failures to comply with this Court's directives and even the most basic of discovery obligations. The Court ordered Legislative Defendants to produce a privilege log in compliance with Rule 26(b)(5)(a), but Legislative Defendants did not do so, failing to provide the most basic information that a privilege log requires—the actual privileges being asserted. The Court ordered Legislative Defendants to "produce all records responsive to Plaintiffs' request for production," and Legislative Defendants did not so, instead narrowing their search in a manner that is patently unreasonable. And the Court ordered Legislative Defendants to provide meaningful responses to Interrogatories No. 14-18, and Legislative Defendants did not do that either.

Because this Court has already granted Plaintiffs' First Motion to Compel in part, under Rule 37(a)(4), the default presumption is to award fees and costs absent a showing that Legislative Defendants' opposition was "substantially justified." There is no justification for Legislative Defendants' obstruction and litigation tactics. And Plaintiffs already effectively prevailed on their Second Motion to Compel because Legislative Defendants mooted the issue by providing the requested information rather than oppose the motion. Plaintiffs therefore respectfully submit that fees and costs, assessed against the appropriate party at this Court's discretion, are warranted in these circumstances.

* * *

WHEREFORE, Plaintiffs request that the Court: (1) order Legislative Defendants to supplement their privilege log to indicate the basis for withholding each document; (2) order

Legislative Defendants to expand their search for responsive documents from August 11, 2016 to November 13, 2018, and to add the search terms “Hofeller” and “formula”; and (3) award fees and costs to Plaintiffs in connection with their First and Second Motions to Compel.

Respectfully submitted this the 12th day of April, 2019.

RE: *Common Cause, et al. v. David R. Lewis, et al.*
Wake County Superior Court Case No.: 18-cvs-014001

Dear Stanton:

Enclosed please find legislative defendants' supplemental interrogatory responses.

By separate email communication, we will send a link to part of the document production. For the production provided at that link, legislative defendants searched the terms "redistricting" OR "redistrict" OR "criteria" OR "precinct" OR "VTD" OR "compact" IR "compactness" between July 1, 2017 and August 31, 2017 across the following custodians: Phil Berger, and staff members Amy Auth, Jim Blaine, Shelley Carver, Peggy Halifax, Darrell Malcom, Stephen Ogden, Tom Reeder, Sara R. Ulm, Wanda Shivers, Erica Srader, Will Timlinson, Andrew Tripp, Kolt Ulm, Dulan Watts, Interns, Graham Whitaker; Tim Moore, and staff members Leah Burns, Britt Eller, Nelson Freeman, Mitch Gillespie, Bart Goodson, Lewis King, Joseph Kyzer, Julie Lisella; Nelson Dollar and staff member Candace Slate; David Lewis and staff members Grace Rogers, Mark Coggins, Lewisin, Neal Inman; Ralph Hise and staff members Susan Fanning, Hisein, Hisein2, HSE RedistrictLA, SEN RedistrictLA. Legislative defendants also searched terms "legislative districts redraw" from January 1, 2015 for the same custodians and no results were found. No document in this production came from a non-custodial data source. The legislative defendants are not in possession of any electronic communications outside of these custodial sources that are responsive to the document requests.

For documents regarding the enactment of the 2011 plans, we have produced the documents and files that were produced regarding the 2011 plans in the Dickson v. Rucho matter. This production is being served via overnight delivery and is included on electronic drives. The only way to ensure a

complete production regarding the 2011 plans was to re-produce the files produced by the defendants in the Dickson matter. As you know, local counsel for the plaintiffs in this matter was also counsel for the plaintiffs in the Dickson matter and should have a complete copy of the Dickson production. If you believe that we have not included some aspect of the Dickson production here please let us know. For instance, we were not able to reproduce the Dickson production that included some of the electronic files of Joel Raupe because the CD containing that production had denigrated over time to the point that it could not be copied. To our knowledge, no other parts of the Dickson production were so compromised.

REPRESENTATIVE DAVID R. LEWIS, IN HIS
OFFICIAL CAPACITY AS SENIOR CHAIRMAN OF
THE HOUSE SELECT COMMITTEE ON
REDISTRICTING et al.,

**PLAINTIFFS' FIRST SET OF
REQUESTS FOR PRODUCTION OF
DOCUMENTS TO ALL DEFENDANTS**

NOW COME PLAINTIFFS, by and through their undersigned counsel, and hereby serve upon the Defendants (“Defendants” or “You”) the following Plaintiffs’ First Set of Requests for Production of Documents (“Request”) pursuant to Rules 26 and 34 of the North Carolina Rules of Civil Procedure. Unless otherwise stated, you are required to produce the following documents and things requested for inspection and copying at the offices of Poyner Spruill LLP, 301 Fayetteville Street, Suite 1900, Raleigh, North Carolina within 30 days after the services of this Request, except that you may serve a response within 45 days after service of the Summons and Complaint upon you. The response to the Request must state that inspection, copying, and related activities will be permitted as requested with respect to each item or category of document, unless the request is objected to, in which event, the reasons for the objection must be stated with particularity.

You are required, when responding to this Request, to furnish all information available to you, to your attorneys or agents, or to anyone acting on your behalf or on behalf of your attorneys, or your agents. Unless stated otherwise, this Request calls for the production of all responsive documents in your possession, custody, or control without regard to where the documents may be physically located, and without regard to who prepared or delivered the documents.

For purposes of responding to this Request, you shall use the instructions and definitions contained herein. The Request shall be continuing in nature until the date of trial.

INSTRUCTIONS

For the purposes of this Request, the following instructions shall apply as set forth below except as otherwise required by context:

1. **BE ADVISED** that under Rule 37 of the North Carolina Rules of Civil Procedure, if you fail to respond to a request made herein under Rule 34, or if you give an evasive or incomplete response, the Plaintiffs may move for a court order compelling you to respond. If such motion is granted, the court may require you to pay the reasonable costs incurred in obtaining the order, including attorneys' fees. Failure to comply with such a court order may result in further sanctions or in contempt of court.
2. **Electronically-stored information:** This Request includes requests to permit the forensic copying and examination of electronically stored information ("ESI"), as well as for the production of ESI. The purpose of obtaining ESI from you is to obtain all metadata, residual data, file fragments, and other information that is not reasonably accessible for forensic examination of authenticity. Any storage device that contains, or may contain, ESI requested shall be produced for forensic copying and examination. Forensic copying usually may be done on-site, without taking possession of your computing devices, at minimal inconvenience, cost, or interruption to you. The forensic copying will eliminate the need for you to search all storage devices or sift through a vast amount of information. Once forensic copies are made, the parties may agree on search terms to reduce costs and to preserve privacy of non-discoverable information. You are encouraged to comply reasonably and to confer immediately with the undersigned counsel for an agreement on each party's respective rights and responsibilities.
3. Words used in the singular number shall include the plural number, and words used in the plural number shall refer to the singular number as well.
4. If any Request is objected to on the grounds of its being overly broad or unduly burdensome, state the manner in which it is overly broad or unduly burdensome and respond to the Request as narrowed to conform to such objection.
5. For any document no longer in your custody or control, identify the document, state whether it is missing, lost, destroyed, transferred to others or otherwise disposed of, and identify any person who currently has custody or control of the document or who has knowledge of the contents of the document.
6. For any ESI no longer in your custody or control, identify the type of ESI, state whether it is missing, lost, destroyed, transferred to others or otherwise disposed of, and the approximate date such ESI became missing, lost, destroyed, or transferred, and identify any person who currently has custody or control of the ESI or who has knowledge of the contents of same.
7. **If any documents, communications, ESI, or responses are withheld on the ground of any privilege, identify the following:**

- A. the names and addresses of the speaker or author of the communication or document;
- B. the date of the communication or document;

Subject: Thank You For Your Input

Thank you for contacting my office via form e-mail provided to you by Democracy NC.

The Supreme Court ruled 28 legislative districts unconstitutional on June 5, 2017, which was 59 days ago. It is important to note, however, that the Lower Court provided the required time line to the General Assembly on July 31, 2017, only 3 days ago.

We are now on a compressed time line. This will impact our ability to seek public comment. Nevertheless, it is my intent to fully allow for public comment on the redistricting plans after they are released.

We are currently accepting comment via the General Assembly website at <http://www.ncleg.net/applications/rfr/Redistricting.aspx?id=23>, the e-mail address set up for the purpose of redistricting (copied on this email), as well as written comment.

Thank you for your input.

EXHIBIT E

The responses are based on Defendants' present knowledge, information, and belief, as derived from: (a) the knowledge and information of present employees or agents of Defendants gained in their capacity as such, and (b) a review of the documents and materials maintained by Defendants that would be likely to contain the information called for by the Interrogatories. These responses are subject to amendment and supplementation as Defendants acquire additional information and complete their review and analysis and made without prejudice to Defendants' right to use subsequently discovered or developed information. Defendants state that their responses to the Interrogatories were prepared in consultation with their attorneys and may not exactly match the words or phrases that may be used by individuals in the course of this litigation to describe events, policies, and practices discussed herein.

No incidental or implied admissions are intended by these responses. The fact that Defendants respond or object to any Interrogatory should not be taken as an admission that Defendants accept or admit the existence of any facts assumed by such Interrogatory or that such Response or objection constitutes admissible evidence as to any such assumed facts. The fact that Defendants respond to part of or all of any Interrogatory is not intended to be, and shall not be, construed as a waiver by Defendants of any part of any objection to any Interrogatory. Defendants will respond to Plaintiffs' Document requests in accordance with Rules 26 and 33 of the North Carolina Rules of Civil Procedure and will not provide responses or documents to the extent such responses or production would exceed the requirements of those Rules.

Since the North Carolina Rules of Civil Procedure prohibit discovery of privileged matters, Defendants have attempted to interpret each Document Request to call for discoverable matter only. To the extent any response or produced document contains or refers to matters otherwise protected from discovery by the work product doctrine, the attorney-client privilege, or the legislative privilege, no waiver is intended; nor is any waiver intended as to any other matters that are or may be subject to such protection or otherwise privileged.

These responses are provided solely for the purpose of and in relation to this action.

INTERROGATORIES

1. Identify each person who, to your knowledge, had any involvement in drawing or revising district boundaries for the 2017 Plans, or in the development of criteria used in drawing or revising district boundaries for the 2017 Plans.

RESPONSE: Defendants object to this interrogatory to the extent it calls for the production of information protected by the attorney-client privilege, information protected by legislative privilege, and information that constitutes work product. Defendants also object to this interrogatory in that “involvement” is vague.

Without waiving these objections, the 2017 plans were drawn by Dr. Thomas Hofeller, under the direction of Representative David Lewis and Senator Ralph Hise. Representative Lewis and Senator Hise were responsible for developing and proposing the criteria adopted by the Redistricting Committees that were used by Dr. Hofeller to draw the 2017 plans. Representative Nelson Dollar had input revising the 2017 House Plan, and Senators Bishop, Meredith, Wade, and Alexander were consulted on some revisions to the 2017 Senate Plan. In addition, all members of the General Assembly had opportunities to

revise the plans through amendments during the legislative process and members of the public had access to publicly available computer terminals to draft plans. Moreover, the General Assembly authorized the minority caucus to retain consultants to assist with mapdrawing and Defendants believe that one or more consultants was so retained, including Kareem Crayton.

In addition, see Defendants' responses to Plaintiffs' Third Set of Interrogatories.

April 3, 2018 Supplemental Response: In addition, the State Senate and State House redistricting committee members were involved in the redistricting, including specifically the Republican members of each committee. The Republican members of the State Senate committee were: Sen. Ralph Hise, Chairman, Sen. Dan Bishop, Sen. Harry Brown, Sen. Warren Daniel, Sen. Kathy Harrington, Sen. Brent Jackson, Sen. Michael V. Lee, Sen. Paul Newton, Sen. Bill Rabon, and Sen. Trudy Wade.

The Republican members of the State House committee were: Rep. David Lewis, Senior Chairman, Rep. Nelson Dollar, Chairman, Rep. John Bell, Vice Chairman, Rep. Sarah Stevens, Vice Chairman, Rep. John Szoka, Vice Chairman, Rep. Jon Torbett, Vice Chairman, Rep. Bill Brawley, Rep. Justin Burr, Rep. Ted Davis, Rep. Jimmy Dixon, Rep. Josh Dobson, Rep. Andy Dulin, Rep. Holly Grange, Rep. Destin Hall, Rep. Jon Hardister, Rep. Kelly Hastings, Rep. Julia Howard, Rep. Pat Hurley, Rep. Linda Johnson, Rep. Bert Jones, Rep. Jonathan Jordan, Rep. Chris Malone, Rep. David Rogers, Rep. Jason Saine, and Rep. Michael Speciale.

The Republican members of the State House and State Senate redistricting committees have knowledge of the redistricting process, criteria, and districts drawn and enacted in 2017.

Non-lawyer legislative staff involved in the redistricting to the best of legislative defendants' knowledge would have been Jim Blaine and Mark Coggins, each of whom would have assisted with information and drafting requests by legislators, including the legislative defendants, as well as planning and logistics of the legislative process that led to the enactment of the plans.

Legal legislative staff for the legislative defendants involved in the redistricting to the best of legislative defendants' knowledge would have been Andrew Tripp, Julie Bradburn, Brent Woodcox, Bart Goodson, and Neal Inman, each of whom would have assisted in providing legal advice regarding the 2017 plans and the legislative process that led to the enactment of the plans.

2. For each person identified in response to Interrogatory 1, describe that person's involvement in the drawing or revising of district boundaries for the 2017 Plans, or in the development of criteria used in drawing or revising district boundaries for the 2017 Plans.

RESPONSE: See response to Interrogatory No. 1 and to Plaintiffs' Third Set of Interrogatories.

3. For each person identified in response to Interrogatories 1 and 2, provide the name of any entity with which each such person was affiliated at the time of that person's involvement in the drawing or revising of district boundaries for the 2017 Plans, and/or in the development of criteria used in drawing or revising district boundaries for the 2017 Plans.

RESPONSE: Defendants object to Interrogatory 3 on the grounds that “entity with which each such person was affiliated” is both unduly vague and overbroad since the persons in question may have been affiliated with various entities that had nothing to do with redistricting.

In addition, see Defendants’ responses to Plaintiffs’ Third Set of Interrogatories.

April 3, 2018 Supplemental Response: Each person identified by legislative defendants is a legislator or otherwise employed by and affiliated with the North Carolina General Assembly.

4. For each person identified in response to Interrogatories 1 and 2, provide the name of the entity or entities that paid that person's fees or expenses for his or her work in drawing or revising district boundaries for the 2017 Plans, and/or in the development of criteria used in drawing or revising district boundaries for the 2017 Plans.

RESPONSE: Representatives Lewis and Dollar and Senator Hise were not paid any fees for their involvement with the 2017 plans. Dr. Hofeller's fees were paid by the North Carolina General Assembly as he worked as a consultant to Representative Lewis and Senator Hise. Defendants also believe that the fees of the consultant retained by the minority caucus, Kareem Crayton, were paid by the General Assembly.

April 3, 2018 Supplemental Response: None of the individuals identified by legislative defendants were paid except by the General Assembly.

5. Identify each person or entity with whom you communicated before August 10, 2017 regarding the drawing or revising of, or the criteria to be used in drawing or revising, district boundaries for the 2017 Plans, or caused to be communicated with regarding the drawing or revising of, or the criteria to be used in drawing or revising district boundaries for the 2017 Plans.

RESPONSE: Representative Lewis and Senator Hise consulted with legal counsel (specifically counsel of record in the *Covington* matter) during the 2017 redistricting process. Both of them also likely consulted with members of the General Assembly and the public.

In addition, Defendants state that the answer to this interrogatory may be ascertained from a review of the documents produced in this matter, including any supplementations that may be produced.

April 3, 2018 Supplemental Response: Legal counsel of record from the Covington matter with whom legislative defendants consulted during the 2017 redistricting process were Tom Farr and Phil Strach. To the best of their knowledge, information, and belief, legislative defendants did not communicate with any “entity” prior to August 10, 2017 regarding the drawing, revising, or criteria for the 2017 plans. To the best of their knowledge, information, and belief, the persons with whom legislative defendants communicated regarding the 2017 plans were disclosed in the response to Interrogatory No. 1.

6. Identify each person or entity who, to your knowledge, maintained, received, or viewed a draft or copy of all or part of the 2017 Plans before August 10, 2017.

RESPONSE: To the best recollection of Defendants, no drafts of the 2017 plans existed prior to August 10, 2017. At LDNC000286, Senator Erica Smith-Ingram clarifies that no new maps had been drawn prior to August 10, 2017.

7. Identify each person or entity with whom you communicated, between August 10, 2017 and August 21, 2017, regarding the drawing or revising of, or the criteria to be used in drawing or revising, district boundaries for the 2017 Plans, or caused to be communicated with regarding the drawing or revising of, or the criteria to be used in drawing or revising, district boundaries for the 2017 Plans.

RESPONSE: See objections and response to Interrogatory No. 5.

In addition, legislative defendants state that the answer to this interrogatory may be ascertained from a review of the documents produced in this matter, including any supplementations that may be produced.

In addition to the individuals identified herein in response to Interrogatory 1, the legislative defendants discussed this matter by email correspondence with numerous constituents, which email correspondence has been provided to Plaintiffs. All other email or other communications have been provided to Plaintiffs in response to the Requests for Production of Documents. Legislative defendants are aware of no other communications responsive to Interrogatory No. 7.

8. Identify each person or entity who, to your knowledge, maintained, received, or viewed a draft or copy of all or part of the 2017 Plans between August 10, 2017 and August 21, 2017.

RESPONSE: To the best recollection of the defendants, it is likely that Representative Lewis, Representative Dollar, Senator Hise, Jim Blaine, and Mark Coggins viewed all or part of the 2017 plans between August 10, 2017 and August 21, 2017. In addition, the draft 2017 plans were released publicly on August 19, 2017 and accordingly available to every member of the public.

Also, Defendants state that the answer to this interrogatory may be ascertained from a review of the documents produced in this matter, including any supplementations that may be produced.

Counsel of record for legislative defendants in *Covington* also likely viewed draft maps for purposes of providing legal advice.

9. Identify and describe all computers, software, programs, applications, and statistical packages used in developing the 2017 Plans. For each, identify and describe the owner of the computer, software, program, application, or statistic package and who paid for it.

RESPONSE: To the knowledge of the defendants, the 2017 plans were drawn on a computer owned by the General Assembly. Dr. Hofeller used the Maptitude software program to draw the plans. A license for this program was also purchased by the General Assembly. All information on any computer used to draw the 2017 plans by Dr. Hofeller that is in the possession, custody, or control of the General Assembly has been provided to Plaintiffs.

10. Identify and describe all criteria that were considered or used in drawing or revising district boundaries for the 2017 Plans.

RESPONSE: The criteria used to draw the 2017 plans is the criteria adopted by the Redistricting Committees, is a matter of public record, and has already been provided to Plaintiffs' counsel and can be found at LDNC000302.

11. Identify and describe how all criteria considered or used in drawing or revising district boundaries for the 2017 Plans, including but not limited to the 2017 Plans Criteria, were prioritized or weighted in drawing or revising district boundaries for the 2017 Plans.

RESPONSE: All constitutionally required criteria had priority over all other criteria including equal population between districts, the *Stephenson* county grouping formula, and the requirement of contiguity. Other factors were considered only when the consideration of such criteria did not conflict with constitutional criteria and could be harmonized with the other criteria. Use of election data was not the predominant criterion used to draft the 2017 plans.

12. Identify and describe how elections data and measures of partisanship were weighted or prioritized in drawing or revising district boundaries for the 2017 Plans, including any formulas or algorithms used to develop partisanship scores or estimates for precincts or voting districts in North Carolina.

RESPONSE: Defendants object to this interrogatory on the grounds that “formulas or algorithms” are vague. Defendants are not aware of any “formulas or algorithms” used to draw the plans. After the plans were developed, reports were prepared showing election results in each district for certain statewide elections. These reports are part of the public record and have already been produced to Plaintiffs’ counsel.

In addition, Dr. Hofeller may have used election results in addition to the other criteria in drawing the Plans. To the best of Defendants’ memory, the Maptitude software used by Dr. Hofeller contained the ability to calculate the average percentage vote of ten statewide elections for districts.

April 3, 2018 Supplemental Response: Legislative defendants do not have any independent recollection of any “formulas or algorithms” other than what has been previously disclosed in their responses to this Interrogatory. The record at LDNC000138 indicates that Maptitude had the ability to apply 9 different tests to determine compactness. Those tests included: the Reock test, the Schwartzberg test, the Perimeter test, the Polsby-Popper test, the Length-Width test, the Population Polygon test, the Minimum Convex Polygon test, the Population Circle test and the Ehrenburg test. Maptitude may have included other tests, formulas, or algorithms, but legislative defendants do not recall. In addition, legislative defendants affirm and adopt the following testimony by witnesses in the Dickson and Covington cases:

13. Identify and describe all partisanship scores or estimates for precincts or voting districts that were considered or used in drawing or revising district boundaries for the 2017 Plans.

RESPONSE: Defendants object to this interrogatory on the grounds that “partisanship scores or estimates” are vague. Without waiving this objection, see response to Interrogatory Nos. 10, 11, and 12.

April 3, 2018 Supplemental Response: Legislative defendants do not have any independent recollection of any “formulas or algorithms” other than what has been previously disclosed in their responses to this Interrogatory. Nonetheless, legislative defendants affirm and adopt the testimony by witnesses in the Dickson and Covington cases referenced in the response to Interrogatory No. 12.

14. Identify and describe all criteria that were considered or used in drawing or revising district boundaries for the 2011 Unchanged Districts.

RESPONSE: In 2017, the legislature did not change districts in 2011 county groups that did not have to be changed because of the impact of a district declared illegal in the *Covington* case.

In addition, Defendants state that the answer to this interrogatory may be ascertained from a review of the documents produced in this matter, including any supplementations that may be produced, as well as the litigation record from *Dickson v. Rucho*, and specifically the legislative record and deposition transcripts of legislative defendants Lewis and Rucho, and of Dr. Hofeller.

Phil:
Legislative Defendants' supplemental discovery responses of April 3, 2019 remain deficient. The following are several of the most notable deficiencies:

- The privilege log does not indicate the basis on which you are withholding each document. This makes it impossible for us or the Court to assess the validity of any of the privilege claims.
- Your letter states that, with the exception of one oddly phrased search term ("legislative districts redraw") that predictably produced zero hits, Legislative Defendants' search for electronic records covered only a two-month period. This is patently insufficient. At minimum, any sufficient search must run from the day the *Covington* court issued its merits decision striking down the prior plans in 2016 until the day we filed our Complaint in this case in November 2018.
- Your search terms must, at a minimum, include "Hofeller" and "formula" as separate, additional terms.
- Legislative Defendants' supplemental responses to Interrogatory Nos. 14-18 from Plaintiffs' First Set of Interrogatories remain deficient. Like the initial responses which the Court found deficient, the supplemental responses do no more than direct us to the record of the *Dickson* and *Covington* cases, which did not concern "the 2011 Unchanged Districts" at issue in this case, as defined in the Interrogatories.

Please let us know by 5pm ET tomorrow (Wednesday, April 10) whether you agree to cure these deficiencies, in full, no later than Friday at 12pm ET.

Regards,
Stanton
