

**IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF ALABAMA  
SOUTHERN DIVISION**

EVAN MILLIGAN, et al., <i>Plaintiffs,</i>  vs.  WES ALLEN, et al., <i>Defendants.</i>	No. 2:21-cv-01530-AMM
MARCUS CASTER, et al., <i>Plaintiffs,</i>  vs.  WES ALLEN, et al., <i>Defendants.</i>	No. 2:21-cv-01536-AMM

**PLAINTIFFS' PROPOSED CARTOGRAPHERS**

Pursuant to the Court's July 24, 2023 Order, Plaintiffs in the above-captioned cases, by and through their attorneys, respectfully submit the following five names of proposed cartographers:

- **Dr. Bruce Cain**, Professor of Political Science at Stanford University. Dr. Cain has extensive expertise in redistricting, having published several academic articles in this area. He also served as special master to a three-judge panel for Arizona state legislative redistricting in 2002, as well as a

redistricting consultant to the U.S. Department of Justice, Massachusetts and Maryland Attorneys General, and the city councils of several major cities.

- **David Ely**, President of Compass Demographics. Mr. Ely has deep and wide-ranging experience as a map-drawer, consultant, and expert on districting plans. He has drawn maps and provided expert consulting services in those areas for dozens of cities, counties, and other legislative bodies in Texas, California, Utah, Pennsylvania, Ohio, Massachusetts, and Illinois. He was also appointed as a special master by a federal court in 2019 and devised a remedial plan to address a Voting Rights Act violation in Terrebonne Parish, Louisiana. Before founding Compass Demographics in 2007, he served for 21 years as Director of Research for the Redistricting and Reapportionment practice of Pactech Data and Research.
- **Dr. Bernard Grofman**, Professor of Political Science at the University of California at Irvine. Dr. Grofman has extensive expertise in redistricting, having published several academic articles in this area. He has served as a special master, expert witness, and consultant in many redistricting cases—for governments, courts, and private litigants from across the ideological spectrum. For example, he served as special master to redraw Virginia's 3rd Congressional District in 2015 and 11 House of Delegate districts in 2018

when three-judge federal courts ruled that the 2010 redistricting process amounted to impermissible racial gerrymandering.

- **Justin Levitt**, Professor of Law at Loyola Law School. Mr. Levitt is a foremost scholar on voting rights and redistricting, having published several academic articles in this area. He has also served in senior federal government positions, including as the White House's first Senior Policy Advisor for Democracy and Voting Rights and as Deputy Assistant Attorney General in the Civil Rights Division of the U.S. Department of Justice.
- **Dr. Charles Stewart III**, Professor of Political Science at the Massachusetts Institute of Technology. Dr. Stewart has extensive expertise in redistricting, having published several academic articles in this area. He has filed several amicus briefs in redistricting cases, and in 2021, he was hired by the City of Lowell, Massachusetts to draw its districts following a consent decree in a federal court case.

Respectfully submitted this 28th day of July 2023.
