**SCHEDULING ORDER**

The Court has held that several of Michigan’s House and Senate districts are invalid. The Court requires supplemental briefing on the remedy issue considering the looming election season. Include views on the efficacy of a special master with a portfolio to assist the Commission in meeting its stringent timeframe. Although an option, the special master would not necessarily draft new maps, but instead may assist the Commission and act as a liaison to this Court as the Commission performs its duties. Parties are to file the briefs by January 2, 2024 at noon. The briefs are limited to 15 pages in length. A notice of hearing will follow.

**IT IS ORDERED** that Parties are to file supplemental briefs regarding remedy with the Court by January 2, 2024 at noon. The briefs are limited to 15 pages in length.

**IT IS SO ORDERED.**
