Plaintiffs' Request to Exceed Brief Page Length

Pursuant to the United States District Court for the Western District of Louisiana Local Rule 7.8, Plaintiffs hereby request to file a Memorandum in Support of a Motion for Preliminary Injunctive Relief of 35 pages in length, excluding attached declarations and exhibits. Local Rule 7.8 does not state that such requests require a showing of good cause, but good cause exists here. Enlargement of the page limits will afford a more complete discussion of the law and facts, and briefs of this length are typical in redistricting litigation in this District. That is true even in cases that present merely statutory claims, and not the Fourteenth and Fifteenth Amendment claims asserted here.
